POPULATIONBy Citizenship, Birthplace and Period of Immigration

Final population counts of the 1961 Census are presented in this report distributed by: (a) citizenship (Canadian and all other); (b) birthplace (Canada and all other); and (c) specified periods of immigration for the population born outside of Canada. Figures are shown for provinces, counties and census divisions, as well as for individual cities, towns, and villages of 10,000 population and over.

More detailed classifications of these subjects, including individual provinces and countries of birth, countries of citizenship, etc., will be issued at later dates as part of the regular volume series of final reports of the 1961 Census. The purpose of this advance report is to make available summary totals at the earliest possible date.

The census inquiry on citizenship refers to the country of which a person reports he or she is a national or a citizen. Instructions to enumerators provided a summary of the main provisions of the Canadian Citizenship Act as a guide in cases of persons uncertain of their citizenship status. In addition, each person born outside of Canada was asked to report the period when he or she first came to live in Canada. It should be noted that the period "1956-1961" includes the first five months of 1961 only.

POPULATIONSelon la citoyenneté, le lieu de naissance et la période d'immigration

Le présent rapport donne le chiffre définitif de la population répartie selon a) la citoyenneté (canadienne et toute autre); b) le lieu de naissance (Canada et tout autre pays); et c) la période d'immigration pour la population née en dehors du Canada. La répartition est donnée pour les provinces, les comtés et les divisions de recensement, ainsi que pour les cités, villes et villages de 10,000 habitants et plus.

Des classements plus détaillés de ces caractéristiques, y compris la province et le pays de naissance, le pays d'allégeance, etc., paraîtront plus tard dans la série régulière de volumes contenant les résultats définitifs du recensement de 1961. Le présent rapport anticipé a pour but de faire connaître le plus tôt possible les totaux sommaires.

La question du recensement sur la citoyenneté portait sur le pays dont la personne déclarait être un ressortissant ou un citoyen. Les directives données aux agents recenseurs contenaient un précis des principales dispositions de la loi sur la citoyenneté canadienne devant les guider dans les cas où certaines personnes ne seraient pas sûres de leur statut quant à la citoyenneté. En outre, chaque personne née en dehors du Canada devait déclarer la période durant laquelle elle avait immigré au Canada pour y demeurer. A noter que la période "1956-1961" ne comprend que les cinq premiers mois de 1961.
